

SEXUAL HARASSMENT RECORD

As we have a good rapport with the parents as well as the students, and good follow up of Teachers, incidents relating to sexual harassment has not occurred so far. Even after zero occurrence, counselling is given at regular intervals and round the clock vigil is kept on all teaching staff as well as non – teaching staff.

To be very precise, at the time of appointment of gents staff – both teaching staff and non – teaching staff have to give an assurance that they don't have any kind of vices. So no stone is left unturned as far as students safety is concerned.
