OUR VISION, MISSION, AND MOTTO

Since its founding in **2018**, Servite School has been guided by its motto “**Compassion and Liberation.**” We nurture empathy while empowering students to think beyond the ordinary and act responsibly. Our mission is to *educate, enlighten, and elevate* young minds toward holistic excellence combining academic growth, ethical values, and compassionate service. Our journey for the academic year **2025–26** began with the reopening of the school in four phases starting with the **Senior Secondary and Secondary Stage** on **April 1**, followed by the **Middle, Preparatory**, and finally the **Foundational Stage** on **April 8**. Each reopening was not merely a return to school, but a return to **purpose, passion and progress.**

To inspire our young minds, **Advocate Mrs. Sivija**, Legal Manager of **V.O.C. Port Authority, Thoothukudi**, addressed our secondary students on discipline, confidence, and responsibility setting the tone for a purposeful year ahead.
